**Update: Bulk Water Supply Restored in Christiana Following Cable Theft Incident**

Following an incident of cable theft which affected the operation of the raw water pump station intake at Christiana in the Lekwa-Teemane Local Municipality, the technical personnel have completed repairs in respect of the cabling which was stolen. Bulk water supply to the community will stabilize in due course, after the pump station was recommissioned for service, due to this regrettable and unnecessary incident which compromised the provision of water to the community.

Magalies Water appreciates the patience of the residents, despite the evident frustration which was caused by this incident.

**End.**
