

URGENT NOTICE

Water Supply Interruptions

City of Tshwane Metro Municipality

Friday, 09th December 2022

Subject: Update Water Supply Interruptions on Wallmansthal Supply Scheme

Magalies Water hereby informs customers receiving water supply from the Wallmansthal supply scheme that following an earlier notice which caused water supply interruption due to electricity outages, supply on the scheme remains constrained. City of Tshwane's Roodeplaat Water Treatment Plant which provides additional bulk water onto the scheme and has been off-line since the reported power outage. The plant has resumed operations today and supply to the system will improve with time.

It is envisaged that the system will return to normal by no later than tomorrow evening, provided no other technical challenges experienced. Magalies Water apologizes for the inconvenience that this has caused.
