Subject: Water Supply Interruptions in Wallmansthal Scheme Due to Mechanical Failure

Magalies Water hereby informs customers receiving water supply from the Wallmansthal Supply Scheme that of an envisaged water supply interruption. This due to an incident of mechanical failure, which resulted in the Roodeplaat Water Treatment Plant's inability to pump water.

At this stage, Magalies Water has not been notified of any time frames within which this technical issue would have been resolved.

We urge consumers to use water sparingly during this period in order to prevent prolonged water supply interruptions. Updates will be communicated as more information becomes available. Magalies Water apologizes for this inconvenience that this may cause.
