Water Supply Interruptions

Saturday, 18th March 2023

Subject: Update - Reduction of Bulk Water Volumes Lifted from Vaalkop Supply Scheme to Rand Water's Point of Sale (Bulk Meter)

Magalies Water hereby notifies consumers receiving bulk water from the Vaalkop Supply Scheme to the Bospoort bulk pipeline (Rand Water Bulk Meter), that following yesterday's notice Magalies Water and Rand Water have engaged in an effort to resolve the dispute in respect of demand charges owed to Magalies Water by its bulk customer – Rand Water.

Consequently, Rand Water has agreed to pay the outstanding demand charges by next week. Magalies Water has therefore lifted the 55 ML/day restriction on the Rand Water bulk meter supplying parts of Rustenburg Local Municipality with immediate effect on proviso that monies owed to it are paid in full as agreed to by Rand Water by no later than the agreed date.

We apologize for the inconvenience that this may cause. For additional information, consumers can contact the Magalies Water Call Centre – 0860 000 720.
