

## URGENT NOTICE

### Water Supply Interruptions

**Wednesday, 22<sup>nd</sup> March 2023**

**Subject: Water Supply Interruptions on Cullinan Supply Scheme Due to Electricity Outages**

Magalies Water hereby informs customers receiving water supply from the Cullinan Supply Scheme that following yesterday's notice on water supply interruptions on the scheme, repairs have been completed and electricity supply has been restored. The water supply interruptions will continue, and we envisage to have stabilized the system between 24 and 36 hours from today. The delay in water supply is caused by the sharp decline in reservoir levels which were experienced yesterday and consequently led to storage water running out.

Consumers are therefore requested to use water sparingly during this period, until the situation improves. Magalies Water would like to apologize for any inconvenience caused.

For additional information, consumers can contact the Magalies Water Call Centre – 0860 000 720.
