

URGENT NOTICE

Water Supply Interruptions

City of Tshwane Metro Municipality

Sunday, 26th March 2023

Subject: Water Supply Interruptions in Wallmansthal Supply Scheme Due to Pipe Leak

Magalies Water hereby informs customers receiving water supply from the Wallmansthal Supply Scheme an envisaged water supply interruption. This is due to an identified pipe leak at the Roodeplaat Water Treatment Plant, consequently the plant's operations have since been suspended. It is envisaged that the pipe leak repairs will be completed on Tuesday (28th March 2023).

Consequently, Magalies Water will in the intervening period implement water demand management until normal water supply has been restored. We urge consumers to use water sparingly during this period in order to prevent prolonged water supply interruptions.

Magalies Water apologizes for this inconvenience that this may cause.
