Subject: Update - Water Supply Interruptions on Klipdrift Supply Scheme Due to Electricity Supply Outage

Magalies Water hereby informs customers receiving bulk water supply from the Klipdrift Supply Scheme, that the reported electricity outage which affected operations at the Klipdrift Water Treatment Plant has been resolved. Consequently, the plant is operating optimally and all the bulk customers who were affected by the water supply interruptions earlier today, will start to experience an improvement in the water flow.

Customers are reminded that while the plant is operating at optimally, normal reservoir levels will take time to be achieved. Magalies Water encourages customers to use water sparingly in order to prevent prolonged water supply interruptions.
