

## **URGENT NOTICE**

### **Water Supply Interruptions**

**City of Tshwane Metro Municipality**

**Friday, 31<sup>st</sup> March 2023**

**Subject: Water Supply Interruptions in Wallmansthal Supply Scheme Due to Electricity Outage**

Magalies Water hereby informs customers receiving water supply from the Wallmansthal Supply Scheme an envisaged water supply interruption. This is due to an electricity outage which has affected both the water treatment plant and reservoir as a result of oil theft from an Eskom transformer at the substation supplying the scheme with electricity.

Consequently, this has caused a power supply trip. Eskom has been notified and are working on resolving this power supply interruption with the necessary speed. We encourage customers to use water sparingly in order to avoid prolonged water supply interruptions.

Magalies Water apologizes for this inconvenience that this may cause.
