Subject: Water Supply Interruptions Due to Planned Maintenance on Taung – Vryburg Bulk Pipeline

Magalies Water hereby informs customers receiving water supply from the Pudimoe Water Treatment Plant, that due to detected leaks on the bulk water pipeline supplying Naledi Local Municipality from Taung, maintenance work will be undertaken to mitigate water losses.

As a result of the planned maintenance work, water supply interruptions will be implemented as follows:

Date: 20th July 2023

Time: 06:00 am – 06:00 pm

Customers are encouraged to use water sparingly during this period in order to prevent prolonged water supply interruptions. Once maintenance work has been completed, the bulk water pipeline will be recommissioned however due to suspension of operations, potable water will not be immediately available, as the system will require water-capacity rebuilding, before normal water supply is achievable.

Magalies Water apologizes for the inconvenience that this may cause.
