**Subject: Water Supply Interruption due to high demand**

Magalies Water hereby informs residents of Christiana Town, Utlwanang Township, Geluksoord and Geluksoord Extension about the current challenges of unsteady water supply in the aforementioned areas. We have noted the challenges and are working with relevant stakeholders to resolve the situation.

We are experiencing inconsistent water supply due to increased water usage in the area. The demand from Christiana Water Treatment Plant surpasses supply and the community is therefore advised to use water sparingly.

Magalies Water apologises for the inconvenience that this may cause.
