Subject: Extension of the Shutdown of Mmabatho Water Treatment Plant Due to Maintenance Work

Following a notice issued on the 21st November 2023, about the Shutdown of Mmabatho Water Treatment Plant for maintenance work, Magalies Water hereby informs residents of Mahikeng and the surrounding areas of an extension of the shutdown until Wednesday, 29th November 2023 at 18H00.

Maintenance work that was envisaged to be completed on the 24th November 2023, could not be completed on time, due to the challenges experienced after the excavation and exposing the outlet pipe that needed attention.

Residents are advised to continue to use water sparingly during this period, in order to prevent prolonged water supply interruptions. Magalies Water regrets the inconvenience that this has caused.
