

## URGENT NOTICE

### Water Supply Interruptions

**Sunday, 26 November 2023**

**Subject: Water Supply Interruptions on Vaalkop Northern Supply Scheme Due Maintenance**

Magalies Water hereby informs bulk customers receiving bulk water supply from the Vaalkop Supply Scheme into Lapatrie Northern Supply Scheme of water supply interruptions. This follows, a leak which was detected on the bulk distribution line, after unrelated repairs were completed earlier this weekend. As a result of water losses experienced on the affected section of the bulk line, maintenance teams have already commenced with the repair work.

. As a result, the following customers will experience water supply interruptions:

- Thabazimbi Local Municipality

Magalies Water is cognizant of the ongoing heat wave and its effects, and continues to encourage customers to use water sparingly, in order to prevent prolonged water supply interruptions, arising from system related strains as a result of demand and supply of potable water.

We apologize for the inconvenience that this has caused.
