**Subject: Water Supply Interruptions on Wallmannsthal Supply Scheme Due to Power Outages at Reservoir**

Magalies Water hereby notifies customers receiving water supply from Wallmannsthal Supply Scheme, of envisaged water supply interruptions. This is mainly due to power supply interruptions at the reservoir, which has affected operations and subsequent supply of potable water to customers.

Eskom has been notified of the matter, and a team has been dispatched to undertake an investigation, in to the cause of the power supply interruptions. Further updates will be communicated as new information becomes available.

We urge customers to use water sparingly during this period in order to prevent prolonged water supply interruptions. Magalies Water regrets the inconvenience that this has caused.
