Subject: Water Supply Interruptions on Wallmannsthal Supply Scheme Due to Power Supply Interruption at Reservoir

Magalies Water hereby notifies customers receiving water supply from the Wallmannsthal Supply Scheme, of envisaged water supply interruptions. This is due to an incident of power supply interruption at the Wallmannsthal reservoir, which has affected bulk water distribution into the network. Eskom has been notified of this matter and are currently investigating the cause of the power outage.

We urge customers to use water sparingly during this period in order to prevent prolonged water supply interruptions. Magalies Water regrets the inconvenience that this has caused.
