Subject: Water Supply Interruptions Due Power Failure Affecting Wallmannsthal Supply Scheme

Magalies Water hereby notifies consumers receiving water supply from Wallmannsthal Supply Scheme of envisaged water supply interruptions. This is due to maintenance by Eskom on the electrical infrastructure supplying the plant. The maintenance work is envisaged to be completed by 20:00 tonight.

Customers are encouraged to use water sparingly, during this period and to be mindful of delays in the normal resumption of normal water supply, due to the suspension of services as a result of the maintenance work.

Magalies Water regrets the inconvenience that this has caused.
