**Subject: Water Supply Interruptions Due to Power Failure Affecting Phatsima Pump Station**

Magalies Water hereby notifies consumers receiving water supply from the Vaalkop Water Supply Scheme (Phatsima Area) of envisaged water supply interruptions, due to an incident of power interruption affecting the Phatsima pump station. This is due to a burnt-out Eskom transformer that provides electricity to the pump station.

The affected areas are:

- Phatsima Village
- Moses Kotane Hospital

Eskom has already conducted preliminary investigations and has advised that the transformer is irreparable and requires replacement. Information available at this stage, indicates that the replacement of the burnt-out transformer will be completed by close-off business tomorrow. Should any delays be experienced in completing repairs, further updates will be communicated accordingly.

Magalies Water apologizes for the inconvenience caused.
