Subject: Water Supply Interruptions on Bloemhof Water Supply System

Magalies Water hereby notifies consumers receiving water supply from Bloemhof Water Treatment Plant, of envisaged water supply interruptions. This is due to a planned shutdown of the plant with the respect to the ongoing upgrades. ***The supply interruptions will affect the entire Bloemhof and surrounding areas.*** The appointed contractor intends to undertake the following tasks:

- Install the outlet reservoir steel pipe connecting the new 5-megalitre reservoir to the pump station.
- Filling of the new 5-megalitre reservoir to conduct a water-tightness test.
- Install the new turbo clarifier inlet steel pipe and isolation valves.

Consequent to the above, the planned shutdown will be implemented as follows:

Task Description	Date	Time
Reservoir outlet pipe	15 Feb 2024	07h00 - 18h00
Filling the new 5-megalitre reservoir with water	16 Feb 2024	07h00 - 18h00
New turbo clarifier inlet steel pipe	17 Feb 2024	07h00 - 18h00

Magalies Water apologizes for the inconvenience caused in this regard.
