### Subject: Water Disruption in Tlakgameng Due to Boreholes Breakdown

Magalies Water hereby informs residents of Tlakgameng Village of water supply disruption. The disruption is due to the following challenges that are being addressed to restore supply as soon as is possible.

- 1. Borehole at Lesotho section has collapsed. The team is on site to fish out the pipes and rods.
- 2. Main borehole is down. The team is doing fault finding to enable repairs and further refurbishment by the District.
- 3. The only operational borehole has been switched off by Eskom due to account issues that are being addressed with urgency it deserves.

Magalies Water apologizes for the inconvenience caused and accordingly working around the clock to ensure restoration of the supply as quickly as possible.
